

BRINKLEY PARISH COUNCIL

SOCIAL MEDIA AND ELECTRONIC COMMUNICATION POLICY.

The use of digital and social media and electronic communication enables the Parish Council to interact in a way that improves the communications both within the Council and between the Council and the people, businesses and agencies it works with and serves.

The Council has a website and uses email to communicate. The Council will always try to use the most effective channel for its communications. Over time the Council may add to the channels of communication that it uses as it seeks to improve and expand the services it delivers. When these changes occur, this policy will be updated to reflect the new arrangements.

Communications from the Council will meet the following criteria:

- Be civil, tasteful and relevant;
- Not contain content that is knowingly unlawful, libellous, harassing, defamatory, abusive, threatening, harmful, obscene, profane, sexually oriented or racially offensive;
- Not contain content knowingly copied from elsewhere, for which we do not own the copyright;
- Not contain any personal information.
- If it is official Council business it will be moderated by either the Chair/Vice Chair of the Council or the Clerk to the Council;
- Social media will not be used for the dissemination of any political advertising.

Parish Council Website.

Where necessary, we may direct those contacting us to our website to see the required information, or we may forward their question to one of our Councillors for consideration and response. We may not respond to every comment we receive particularly if we are experiencing a heavy workload.

The Council may, at its discretion, allow and enable approved local groups to have a presence on its website for the purpose of presenting information about the group's activities. The local group would be responsible for maintaining the content by way of sending updates to the clerk who will then update the website. The clerk will check and approve all content, and the Council reserves the right to remove any or all of a local group's information from the web site at any time.

Parish Council email.

The Clerk to the council has their own council email address (clerk@brinkleyparishcouncil.gov.uk).

The email account is monitored mainly during office hours, Monday to Friday, and we aim to reply to all questions sent as soon as we can. An 'out of office' message should be used when appropriate.

The Clerk is responsible for dealing with email received and passing on any relevant mail to members or external agencies for information and/or action. All communications on behalf of the Council will usually come from the Clerk, and/or otherwise will always be copied to the Clerk.

Individual Councillors are at liberty to communicate directly with parishioners in relation to their own personal views, and if appropriate, copy to the Clerk. NB any emails copied to the Clerk become official and will be subject to The Freedom of Information Act.

These procedures will ensure that a complete and proper record of all correspondence is kept.

Councillors and the clerk should not forward personal information on to other people or groups outside of the Council, this includes names, addresses, email, IP addresses and cookie identifiers.

SMS (texting).

Members and the Clerk may use SMS as a convenient way to communicate at times. All are reminded that this policy also applies to such messages.

Video Conferencing e.g. Zoom.

If this medium is used to communicate, please note that this policy also applies to the use of video conferencing.

Internal communication and access to information within the Council.

The Council is continually looking at ways to improve its working, and the use of social media and electronic communications is a major factor in delivering improvement.

Councillors are expected to abide by the council's Code of Conduct and the Data Protection Act 2018 in all their work on behalf of the Council.

As more and more information becomes available at the press of a button, it is vital that all information is treated sensitively and securely. Councillors are expected to maintain an awareness of the confidentiality of information that they have access to and not to share confidential information with anyone. Failure to properly observe confidentiality may be seen as a breach of the Council's Code of Conduct and will be dealt with through its prescribed procedures (in extreme cases it may also involve a criminal investigation).

Members should also be careful only to cc essential recipients on emails, to use the 'Reply to All' option carefully and ensure that when adding a new recipient or forwarding emails that they check the email trail for breaches of confidentiality.
